Devaraj Bahadur Charity Fund
Mysore, 5th October 1899

To the Joint Honorary Secretaries,
Devaraj Bahadur Charity
Educational Fund, Mysore

The Secretary to Govt of Mysore,
Revenue and General Departments
Bangalore

Sir,

We beg to submit a report of the administration of the Devaraj Bahadur Charity Educational Fund from 1st July 1896 to 30th June 1899. The balance on hand on 1st July 1896 was Rs 2010-9-9. The income during this period was Rs 7855-6-2. Out of this total sum of Rs 9865-15- the amount available for the Education of Widows was Rs 7633-6-11 and that for encouragement to the authors of Kannada and Sanskrit works was Rs 2057-2-10, and that for Contingent expens Rs 175-6-2, being the interest received on the deposit of our half yearly income in the Government Savings Bank under the two heads. The amount actually spent during the period was Rs 6954-12-6 under the first head, Rs 1651-3-3 under the second, and Rs 170 under the third, (detailed statements of these are herewith submitted), thus leaving a balance of Rs 678-10- Rs 405-15-7 and Rs 5-6-2 respectively under the different heads or a total balance Rs 1090-0-2.

Since the institution of

to widows in May 1895 up to the end of June 1899, 35 high caste widows have been brought under instruction A statement giving detailed information regarding each of these pupils is herewith submitted

Out of the 35 widow pupils two have passed the Vernacular Upper Secondary and Teachers' certificate Examinations, one of these two is the Head Mistress of the Government Girls' School at Shimoga and the other is studying English with the object of passing the Matriculation Examination

Thirteen of the others have passed the Kannada Lower Secondary Examination Two of these are employed as School Mistresses in the Government Girls' School at Bangalore, and seven have been recommended for appointments in girls' schools in the districts One has also passed the English Lower Secondary Examination and joined the High School Department in the Maharani Girls' School to study for Matriculation One has appeared for the English Lower Secondary this year, and another will appear next year One is dead

Out of the remaining twenty, two are studying in the Girls' School at Bangalore, and seventeen in the Maharani Girls' School, Mysore, (3 for the English Lower Secondary and 14 for the Kannada Lower Secondary), and one has been recommended for appointment as Sewing Mistress in a Government Girls S..

Thus

Thus in the course of four years it has been our good fortune to successfully educate 15 high caste widows and to qualify them to become efficient teachers by passing the requisite public examinations We expect that the remaining twenty pupils will become qualified school mistresses in another two or three years

We are happy to report that the encouragement offered by this Charity Fund has not only provided Government with 15 qualified school mistresses for their schools but has also supplied the Maharani Girls' School with students for the higher Vernacular and English classes, and above all we are glad we have opened a way for helpless high caste widows to better their unfortunate condition and lead a life of usefulness and honour

Under the head of encouragement to authors of Kannada and Sanskrit works, we beg to state that during this period thirty eight authors have received honorariums from us for having brought out forty five works, some of them having written more than one work A detailed statement containing the names of the au-

and the works is also submitted

We have the honour to be
Sir
Your most obedient servants

Letter of the 5th October 1899 from the Joint Honorary Secretaries of the Devaraj Bahadur Charity Fund

We beg to submit a Report of the Administration of the Devaraj Bahadur Charity Educational Fund from 1st July 1896 to 30th June 1899

The balance on hand on 1st July 1896 was Rs 2 010 9 9 The income during this period was Rs 7 855 6 2 Out of this total sum of Rs 9 865 15 11 the amount available for the education of widows was Rs 7 633 6 11 and that for encouragement to the authors of Kannada and Sanskrit works was Rs 2 057 9 10 and that for contingent expenses Rs 175 6 2 being the interest received on the deposit of our half yearly income in the Government Savings Bank under the two heads The amount actually spent during the period was Rs 6 994 12 6 under the first head Rs 1 651 3 3 under the second and Rs 170 under the third (detailed statements of these are herewith submitted) thus leaving a balance of Rs 678 10 5 Rs 405 15 7 and Rs 5 6 2 respectively under the different heads or a total balance of Rs 1 090 0 2

Since the institution of scholarships to widows in May 1895 up to the end of June 1899 35 high caste widows have been brought under instruction A statement giving detailed information regarding each of these pupils is herewith submitted

Out of the 35 widow pupils two have passed the Vernacular Upper Secondary and Teachers Certificate Examinations one of these two is the Head Mistress of the Government Girls School at Shimoga and the other is studying English with the object of passing the Matriculation Examination

Thirteen of the others have passed the Kannada Lower Secondary Examination Two of these are employed as School Mistresses in the Government Girls School at Bangalore and seven have been recommended for appointments in Girls Schools in the districts One has also passed the English Lower Secondary Examination and joined the High School Department in the Maharani Girls School to study for Matriculation One has appeared for the English Lower Secondary this year and another will appear next year One is dead

Out of the remaining twenty two are studying in the Girls School at Bangalore and seventeen in the Maharani Girls School Mysore (three for the English Lower Secondary and 14 for the Kannada Lower Secondary) and one has been recommended for appointment as Sewing Mistress in a Government Girls School

Thus in the course of four years it has been our good fortune to successfully educate 15 high caste widows and to qualify them to become efficient teachers by passing the requisite public examinations We expect that the remaining twenty pupils will become qualified School Mistresses in another two or three years

We are happy to report that the encouragement offered by this Charity Fund has not only provided Government with 15 qualified School Mistresses for their schools but has also supplied the Maharani Girls School with students for the Higher Vernacular and English classes and above all we are glad we have opened a way for helpless high caste widows to better their unfortunate condition and lead a life of usefulness and honor

Under the head of encouragement to authors of Kannada and Sanskrit works we beg to state that during this period thirty eight authors have received honorariums from us for having brought out forty five works some of them having written more than one work A detailed statement containing the names of the authors and the work is also submitted
